

## PRESENTATION TOPICS - SET 2

This week's topics are :

1. Chaos.
2. Fractals.

Please choose one of the above topics and write something (about half a page) about it. You may write about a related example, definitions, some related information that was presented during lecture, anything that shows you have been thinking of the topic before coming to recitation. Make use of books, articles, internet, whatever you find helpful. We'll see more involved presentations about the above topics during next week's recitation and this will help you get an idea about what to expect. You can research more than one topic if you like. This way you'll be more involved during recitation and gain more from it.

Your name:

Chosen topic:

Please rate the presentation of topic #1 that you've seen in class.

On a scale of 1 to 5 (5=highest) how much knowledge did you gain from the presentation?

1      2      3      4      5

On a scale of 1 to 5 (5=very easy) was the presentation easy to follow?

1      2      3      4      5

Please rate the presentation of topic #2 that you've seen in class.

On a scale of 1 to 5 (5=highest) how much knowledge did you gain from the presentation?

1      2      3      4      5

On a scale of 1 to 5 (5=very easy) was the presentation easy to follow?

1      2      3      4      5
