Math 432 Syllabus

Yuecheng Zhu

January 21, 2016

1 Basic information

- Webpage: https://www.math.upenn.edu/~yuecheng/Math432.html Lecture notes will be posted there.

- Class Meeting: TR 12-1:30 pm, DRL 3C8.

- Office Hours: Mon 7-9 pm.

- TA: Joshua Rosenberg DRL 3N2C.

- Office Hours: Wed, Fri, 2-3 pm

- I will be away Jan 25-29 for a conference. Some other instructor will substitute me during that week.

2 Grading policy

The final grades is computed by Homework 25%, Two mid terms 25% each, Final 25%.

- NO late homework will be accepted except for the following reasons: sickness, family emergency, playing games for the school. In those cases, you need to notify me before the deadline of the homework!

- You may drop the worst grade of your homework.

- The first mid-term is on Feb 16. The second mid-term is on Mar. 24.

- The final is on Apr. 26 in class. It is actually similar to a mid-term due to the limit of time.
• NO extra credits. Don’t ask for it.

• I will decide the cut-offs for A, B, C based on the final grades (The grades are not curved). The goal is to have at least 30% of A, and 30% B.

3 Schedule

• Part I Jan. 14, 19, 21, 26, 28 Feb. 2, 4, 9, 11
